### OH-OH!

Our new deep ruffled yellow which we are offering only to catalogers in growers units this year. No bulbs will be sold as retail but retail price will be set at \$2.00 per large bulb for next year.

Oh-Oh has been named by folks visiting our fields and upon seeing this new dark yellow all exclaimed Oh-Oh, therefore we have registered it under that name.

Oh-Oh we feel will make a very good yellow commercial as its two very dark lower petals cause the flower to appear very dark yellow. No markings on the ruffles four inch florets which open up to 6-7 well placed florets on a 48 in. plant which is very prolific and healthy with semi upright foliage; bulbs are very good looking. Good size and shape for commercial purposes.
